Hosting organisation

The non-profit organization "You in Europe" was established in 2012 in Nea Moudania, and it is a space for everyone who loves learning by doing, and vice versa. Our main goal is to promote solidarity and understanding between societies, especially in Europe. Therefore we promote volunteering as a mean of strengthening social cohesion and equal parallel as tool for integration of people from vulnerable social groups. We have a great experience in organising Youth Exchanges, Training Courses, Seminars and we have participated in many Strategic Partnerships in KA2 of Erasmus+ Program.

The organization has experience in the European Solidarity Corps (former European Voluntary Service) as a sending NGO since 2012 and started hosting volunteers in Nea Moudania during 2017.
